COWBOYS STADIUM REVIEW
Thursday, 9-9-10 @ 6: PM**

Attendees had the opportunity to tour and learn the details of the stadium, executive suites, private bar areas and mechanical systems areas.

Legendary Cowboy's Coach Tom Landry stands guard at the entrance. While attendees view executive areas and the executive suites where the "Jumbo-tron" becomes up close and eye level. The views were spectacular.

View of the stadium and retractable roof was awesome. The Cowboy's locker room was a popular photo spot for all attendees

I want to thank all of you who had the opportunity to join us on this exclusive VIP tour of the Cowboy's Stadium. We look forward to providing you, our members and guests with informative chapter meetings and entertaining tours.
