

Thank-You

My name is Stephanie Klages and I am the proud recipient of this year's 2009 IFMA Foundation scholarship from the Dallas Fort Worth Metroplex Chapter. I wanted to express my sincere thanks for allowing me the opportunity to travel to Orlando and attend World Workplace. I met many very inspiring people in the Facility Management industry that are true motivation to me as I complete my facility management studies.

I am finishing my final semester at Conestoga College in Kitchener, Ontario Canada. In August I will receive my Bachelor of Applied Technology Architecture Project and Facility Management Degree. After I graduate I plan on pursuing a career that involves green technology and the environment.

I also wanted to extend a special thank-you to Linda for coming and presenting the scholarship to me, it was a true honour to receive this award.

*My thanks, Stephanie Klages
